

Pick up locations, dates & times for Santa Suits & Race Numbers - Please check opening times and locations carefully.

IMPORTANT - Santa and Elf Suits for under 10's 1k Run and Santa Suits for ages 9-14 can only be collected from The Broad Street Mall or Reading Refugee Group

Please ensure that you take your race confirmation email and/or ticket with you to exchange for your suit and Race Number. Please check dates and opening hours before travelling.

N.B. It is strongly recommended that the suits and race numbers are collected well before Race Day. Adult suits are 'one size fits all' - sleeves, trouser legs and waists may need altering or pinning. There are two sizes for the under 10's Santa Suits age 5-8 and 9-14. Elf suits are only available for age 5-8 and all are subject to availability. Please collect suits well in advance to avoid having to queue on the day. If picking them up on the day, please arrive early– we would advise by 9.00am.

If you are coming from a long way out of town and can't get to Reading before race day, please email us ASAP for details of a postage service at: - santarun@readingrotary.org.uk - Postal service requests MUST be made on or before Tuesday 30th November.

Suits can only be collected from Friday 26th Nov until Saturday 11th December, with the exception of Thames Valley Windows from 29th - Please carefully check times and dates for each location
